Strategic development

In this section, you are asked to lay down your objectives, the needs you want to address with the Programme's funding and the benefit for the participants and your organisation. You will also be asked to develop an activity plan. If your application is approved, your organisation's Erasmus youth accreditation in the field of youth will stay valid for the duration of the Programme (2021-2027), under the condition that your organisation keeps fulfilling the obligations defined in the Call for Erasmus Youth accreditations in the field of youth. Nevertheless, the activity plan you submit in this application can cover a shorter period, if you wish so. It is important to ensure that your objectives and activity plan are coherent and appropriate for your organisation, its experience and its ambition.

Objectives

Why do you want to apply for Erasmus+ Youth accreditation? What issues and needs do you seek to address? Briefly describe the main motivation of your organisation to participate in this scheme.

Objective 1**Title**

What do you want to achieve?

Explanation

Describe the objective and explain how it is linked with the needs and challenges you have explained in the section 'Background'

Timing

When do you expect to see results for this objective?

Measuring progress

How are you going to track and evaluate your progress on this objective?

What is the estimated intended overall impact of implementing your strategy on the target groups, participants and participating organisation(s)? Please also mention any impact on local, regional, national, European and/or international levels.

Please describe how you will contribute to:

- the three main objectives (engage, connect and empower young people) of the [EU Youth Strategy](#)
- [Youth Goals](#)
- and/or the Programme's objectives.

Overview of planned activities

What type of activities would you like to implement with Erasmus funds? In the table below, please choose "Learner mobility" if you will implement "Youth Exchanges" and "Staff mobility" for "Youth Workers mobility".

Please link the activities to the objectives they will contribute to. Please propose a planning of activities to be supported with Erasmus+ funds with realistic and proportional target numbers of participants. The targets you propose here are flexible. They are not binding for your organisation, nor for the National Agency because the final number of implemented activities and participants may depend on various factors, including availability of funding. You are requested to make a plan for the remaining 2 years of the programme period.

Please describe how the results will be shared. What dissemination activities will you carry out (planning, target groups of such activities)?

Erasmus Youth Quality Standards

Organisations implementing Erasmus learning mobility activities must adhere to a set of quality standards. These standards exist to ensure quality experience and learning outcomes for Erasmus participants, and to make sure that all organisations receiving the Programme's funding are contributing to its objectives.

Please OPEN THE DOCUMENT and carefully read the Erasmus+ quality standards presented below and confirm your agreement. [erasmus-youth-quality-standards_en.pdf \(europa.eu\)](#)

Subscribing to Erasmus Youth Quality Standards

To apply for Erasmus+ accreditation, your organisation must subscribe to the Erasmus Youth Quality Standards and accept to be evaluated based on those standards. Since the Erasmus+ accreditation is valid for a longer period, your organisation's performance in maintaining the Erasmus Youth Quality Standards will also influence how much funding you may receive in subsequent years.

Please read the following statements carefully and confirm your agreement:

- ☐ I have read the above Erasmus Youth Quality Standards
- ☐ I understand and agree that Erasmus Youth Quality Standards will be used as part of the criteria for evaluation of the activities implemented under this accreditation
